

Letter from Bishop Calvo

Dear Brothers and Sisters in Christ,

At the conclusion of Mass, we are told, "Go in peace". Nourished by the Eucharist, these words send us forward to carry out the mission Jesus entrusted to us: to proclaim the Gospel—his Good News—to everyone. The theme for this year's Catholic Services Appeal reminds us of this commission: "Our Mission... Moving Forward". We have much to do in the name of Jesus Christ and, with each other's support, we can touch people's lives with God's Word, the sacraments and the service of charity.

Your generosity this past year gave us the resources to continue to serve many of our brothers and sisters who are struggling with the effects of the economic downturn. You provided us with the financial support needed to maintain the programs that are essential to our mission, such as the formation of priests, deacons and lay ministers, religious education, ministry to youth and assistance to our rural parishes.

This past year I had the joy of ordaining eight new permanent deacons. I also ordained two of our seminarians as transitional deacons, who will be ordained priests in the near future. These are just two examples of the fruits of your generosity.

I am grateful for your participation in the CSA. When we work together as one family in Christ, we can accomplish far more than we can as individuals. In these challenging times, our unity as a Church is crucial. Together we can move forward and fulfill what Jesus has asked of us.

May God bless you and may Christ's peace be with you.

Sincerely yours in Christ,

Most Reverend Randolph R. Calvo

CSA is on the web:

Last year we upgraded and streamlined our system. The CSA system is web-based and allows you, the donor, to sign in and monitor your own personal CSA account. This is available to you now on our website at www.catholicreno.org. Please feel free to go to the website and just follow the instructions on the lower left side of the page.

In addition, the CSA system allows for electronic billing and online payments. Many of you already use electronic banking to make your donations and/or payments. Please consider the opportunity to receive an "e-statement". This method of billing is not only more convenient and efficient but it allows savings of administrative costs that would otherwise go to paper and postage. These additional savings could then be applied directly to the CSA funded programs. Your participation will help us make the most efficient use of all of our CSA resources.

To sign up please mark the e-statement option on your 2012 CSA pledge form or you can contact the CSA Office directly at:

CSA Advisory Board

The CSA Advisory Board members have endeavored to be careful stewards of the resources entrusted to the diocese for ministry. The principles of stewardship were applied to the Board's review of requests for funding from ministry and program heads.

The main criteria in allocation is efficient administration of all programs and the Bishop's mandate that the diocese tithe 10% to the needy.
